Miss Elizabeth F. Williams of the State Free Public Library Department, spent several days with us and assisted in revising the card index and other library work. We have purchased 40 books. The State Free Public Library Department gave 10 books and has loaned us a large number. The circulation of books and magazines has been more than in other years.

FANNIE J. PARKHURST,
Library Trustee.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of Weston:

Our schools continue to increase in numbers. This year we have an enrollment of ninety pupils who are in charge of three teachers. There are nine pupils in the eighth grade. In June four pupils were graduated from the grammar schools. Graduating exercises were held in the Town Hall. The following day the teacher, Miss Carver, took the class on a trip to Bennington to visit places of historic interest there. Three of the graduates are now in high school, making our present number of high school students seven. Four young men were graduated from high school in June.

The attendance in our schools is generally very good. A few pupils who are often absent bring down the average. Some parents fail to realize that it is almost impossible for a child to make up lost time. During the first half of the present school year the following pupils had no absent marks: Raymond Baker, Rita Baker, Virginia Gabert, Pauline Gabert, Anna Hart, Elsie Hart, Harry Hart, Leslie Westine, Wayne Foster, Florence Holton, Shirley Sparks, Dorothy Foster. A number of others were absent one day or half a day, just missing the honor roll.

Mrs. Newton is teaching singing in the primary school. This service is much appreciated.

Some new books and other equipment have been purchased. As usual, the children have earned some money for things needed in the schools.

The school grounds should be graded. We hope this much needed improvement may be realized when warm weather comes.

Very truly yours,

ABBIE E. FOLLETTE.
